Line-Up Michael Benjamin: Vocals, Acoustic/Electric Guitar, Synth

Stageplan

Input List

Channel	Instrument	Mic Type	Notes
1	Vocals	Shure SM58 (or similar)	with mic stand
2	Acoustic Guitar	DI Box	mono
3	Electrical Guitar	Mic (Sm57 or similar)	with mic stand
4	Synth	DI Box	mono

- A small, high-quality monitor setup is appreciated for onstage sound clarity.
- Michael provides his own guitar, amp and synth; however, DI boxes, microphones, and stands must be supplied by the venue.
- A 30-minute soundcheck is required prior to the performance.
- Central mic stand for vocals.
- DI box connections for acoustic guitar and synth positioned stage-left and stage-right.
- Power requirements: 4x 230V outlets.

If you have any questions or need further clarification, feel free to get in touch.
